Terms & Conditions:

Please read our terms and conditions

1. All details in our information material have been compiled with great care and are produced in good faith. None of the facts are false misleading as far as we know.
2. Please read the following paragraphs carefully. They are the terms of our contract with you. Your signature on the booking form is the acceptance of these conditions by yourself and every member of your party.
3. The running of the site, the supply of water and electricity are outside the control of *the mobile home owner* who is only responsible for our accommodation.
4. It is essential for cleanliness and hygiene that you bring or hire from our management team, pillow slips, sheets and towels.
5. We restrict the number of guests to six people, regardless of age. Only guests whose names appear on the booking form may use the accommodation. Only resident guests may use the Holiday Green facilities and must officially introduce outsiders at the site office. Residents are responsible for their own and their guests' behaviour on site and for keeping the site rules, including keeping quiet after 11.00pm in areas where people may be sleeping.
6. The accommodation deposit is not part of the holiday payment. It is held by *us* and returned to the party leader after the accommodation has been checked, the keys returned and everything has been left absolutely clean and in working order, ready for the next guests. The deposit may be retained wholly or partly be *us*, if we decide that a cleaner must be employed or damage made good before the next guests arrive. Guests are liable for the cost of any damage or loss to the contents, fixtures, fitting, equipment etc. or to the accommodation during the period of hire. The party leader must inform *us* of all faults to the gas, electrical and water services, appliances and equipment as soon as they become apparent.
7. *We* will always do our best to meet the reasonable requirements of our guests, but due to unforeseen circumstances beyond our control, we may be forced to make alterations. In such cases *we* will make an equitable refund not exceeding the amount paid by the party leader if they are unable to make the accommodation available due to circumstances beyond our control, e.g.: damage by fire or change of location. *We* reserve the right to cancel the hiring without prior notice. Every effort will be made to fulfill all obligations, but if cancellation becomes unavoidable *we* will repay all monies received from the party leader and no more. A contract will only be constituted between *ourselves* and the party leader when a completed booking form and full payment have been received and the booking has been confirmed in writing. If a booking cannot be accepted for any reason, payments made by the party leader will be returned in full.

Terms & Conditions: - Cont.

8. *We* cannot accept responsibility or liability for any loss or additional expense occasioned by accident, breakdown, weather, war, sickness, civil disturbance, quarantine or any other happening which may intervene with or delay or add to the cost of the services booked or provided. Neither can *we* accept liability for third party claims nor for any damage, loss or injury to the party leader or to any other member of the party, their vehicles or personal effects in whatever manner sustained.
9. **Cancellations:** *We* reserve the right to cancel any booking for which full payment has not been received by the date quoted on the receipt for the deposit. This date is normally eight weeks prior to departure date, but may be a shorter period e.g.: when a late booking has been made and has been accepted by *ourselves*. The final payment date is also quoted on the price list and booking form. If you cancel your holiday before the final payment, the deposits are forfeit. If you cancel after the final payment date and: a) you have paid the balance in full, *we* will retain the balance and return the deposit to you. b) You have not paid in full; you agree to pay us the balance less the deposit.
10. Personal holiday insurance is compulsory for every member of your party regardless of age. *We* need to have the name of your insurers and your policy number before your departure date.
11. *Our* prices were calculated in advance of the season and are based on prices and French VAT rates at that time. In the event of subsequent increases in any costs outside our control, we reserve the right to make additional charges accordingly. The booking contract which incorporates these conditions is governed by English Law.
12. Sheets and household linen are not provided. You are responsible for cleaning the Mobile home on your departure and should our agent determine further cleaning is required before a new client inhabits the Mobile Home this will be deducted from the damage deposit.
